“ FOCUSED ON PHOTOGRAPHY “ BY Carl Bell

What an honor it is to be President of the Oklahoma Camera Club, a club with such a rich history, during our seventy fifth year.

This club has witnessed many incredible events and cultural changes since its birth in 1931 during the great depression. The club has endured World War, the birth of the atomic age, the Cold War, the Korean War, the Vietnam War, the Gulf War, the War on Drugs, the War on Terror, and the Red River Rivalry.

This club has witnessed fascism, communism, the rise and fall of the Berlin wall, television, McCarthyism, Elvis, the English Invasion, civil rights demonstrations, assassinations, moon walks, war protests, oil booms and busts, the computer age, natural disasters, terrorist attacks, and more. Just in my lifetime we have learned terms like iWatergatei, iDeep Throat, iBurning Our Bras, Reagonomics, email, spam, and more. No longer is an Apple just something you eat.

We have gone from large format cameras to medium format iroll filmi to 35 mm and beyond. We have witnessed the decline of black and white in favor of color photography. We have fallen in love with Tri-x, Kodachrome, Velvia and a host of other films only to witness their demise from something called a pixel. For many of us, our enlargers sit gathering dust while our enlarging paper passes its expiration date.

This club has seen several changes in the last year and we are in the midst of more changes. Our governing board is determined to embrace digital imaging while not losing our film heritage. Hopefully, the sight of a fine silver based black and white print will always be welcome at this club. I ask each of you for patience and understanding during the coming months as we work to implement Projected Images .

If I were to offer a slogan for what I want us to accomplish this year it would be iFocused on Photographyi. While the changes in competition and other day to day issues will require a certain amount of attention, I hope we can all remember why we joined this club in the first place. I encourage each of you to get more involved in the club this year. I hope to have several outings this year and I encourage everyone to attend. Come to some of our work-shops and learn a new trick or two. Invite a friend or two. Get acquainted with our visitors. If you know of something going on let Carol McCreary know about it so we can get it in the Hypocheck.

Let's make our 75th year a great one!
