## *Club Field Trip* "Fly-In," Ponca City Airport

*Doug Finch, APSA*

A group of club members fell out of bed early on Saturday morning, November 3, and headed north towards Ponca City for the planned field trip. With the exception of **James Pratt**, the rest of us had never attended the "Fly-In" event scheduled for the first Saturday of each month at the Ponca City Airport.

"A-1 Skyraider" by **Brad Smith**

Everyone arrived in time for breakfast which starts around 7:00 a.m. and lasts to about 10:00 a.m. You can tell these folks have done this before, they serve a good Okie style breakfast in a very efficient manner - for only 5 bucks. After eating eggs and sausage here, you know why these pilots fly-in from all around the area to attend.

## *Club Field Trip* *"Fly-In," Ponca City Airport*

*(Continued from Page 1)*

While the planes come primarily from Oklahoma and our neighbor to the north, Kansas, they have arrived from Arkansas, Missouri and as far away as Colorado. They average about 70 planes depending on the weather conditions and have had as many as 120 attend. 375 to 400 people is an average attendance with a high of around 500.

*"Army Aircraft" by Debbie Devonshire*

*"A-1 Skyraider" by Debbie Devonshire*

*"Debbie Keeping Warm" by Jan Lee*

Following **James Pratt** on this early Saturday morning drive were **Ed Lamb, Brad Smith, Jan Lee, Debbie Devonshire, Dale** and **Lee Donlon** with their daughter **Jennifer Johnson** and grandson, **Jon-Mykel Johnson**. **Dave and Mel Nelson**, club members who live in Ponca City, met us there. All expressed feelings of having a great time with conversation of returning in the near future.

## Club Announcements

### COME ONE - COME ALL - SHARE IN THE CHRISTMAS JOY!!!

Now is the time of year when family and friends gather - plan on gathering with your Camera Club family and share a meal. Come hungry and bring a dish to share with everyone - that dish you would take to Mom & Dad's house. There will be hot cider, cold drinks, music, lots of great food and the love of your Camera Club family. What more can we ask for at this very special time of year. Please let **Dale Donlon** have some idea of what you can bring by phone at 387- 5272 or e-mail at [shuchee@pldi.net](mailto:shuchee@pldi.net); she may be able to give you some idea of what we will need.

This year the club will be donating Christmas gifts to a group home in Chickasha, *Special Young Adults*, instead of toys at the YWCA. As discussed at the last meeting, no one remembers the mentally challenged this time of year. There are several people in this home that have no family at all and receive no gifts at Christmas. Most of these are women but there are a couple of gentlemen without family who live there also. Here is a list of things they would enjoy: CD's (all kinds), DVD's (PG Rated), cologne, hair clips, makeup, bath gels, candy, jewelry, picture frames and anything similar in nature. Some specific things, the gentlemen like Dukes of Hazard and OU - OSU memorabilia and the ladies like black angels, cats, DVD's, picture frames, jewelry and OU -OSU memorabilia as well. Your donations will be very special for some very special people. (Please, do not gift wrap.)

We want to say thank you and *Merry Christmas* to **Lorrane, Charlotte, and Dale** for their work on providing and arranging for the holiday refreshments.

### KWTV News 9 and OKC Beautiful want your photos!

"We're looking for photos of beautiful outdoor sculptures, buildings, and landscapes (residential or commercial) in the Oklahoma City Metro area that you think beautify our city! Selected photos will be shown on Jed Castiles' Tuesday morning newscast at 6:20 a.m. during the "Have an OKC Beautiful Day" segment.

"To submit your photos, visit us on the internet at [www.okcbeautiful.com](http://www.okcbeautiful.com) or mail them directly to OKC Beautiful at P. O. Box 2296, OKC, OK 73101. Please include your name, contact info, and a brief description & address for your photo(s). For more information, call OKC Beautiful at 525-8822." **Shana Keith-Ward**

Additional information: Shana's handout does not address file size or any other particulars. It is suggested that you send files flattened and no larger than 700K. Perhaps the best way is to size the photo as you would to enter club competition, max 1024 width for horizontal format or 768 height for vertical. Shana did say the photos should not contain people. And, you, the photographer, give up no rights to your photos by submitting them to OKC Beautiful.

## ***Pulitzer Prize-Winning Photographs at the International Photography Hall of Fame***

View the world's most iconic images such as the raising of the flag at Iwo Jima and the 9/11 terrorist attacks in the upcoming exhibition at the International Photography Hall of Fame and Museum. "Capture the Moment: The Pulitzer Prize Photographs," the most comprehensive collection of 138 Pulitzer Prize-winning photographs, will be on display Dec. 15, 2007 to March 30, 2008 throughout all galleries. The exhibit features every Pulitzer Prize-winning photograph since 1942, the first year the prize was awarded. The photography prize is given in two categories each year - spot/breaking news and feature. Photojournalism at it's best.

The exhibit includes many photos from historic moments that are instantly recognizable, ranging from war-related photos from around the world to photographs of Olympic events and moments of joy, youth, and inhuman world conditions. The photos include Joe Rosenthal's World War II photograph of the raising of the flag over Mount Suribachi on Iwo Jima in 1945 and many haunting images from the Vietnam War. Robert H. Jackson's 1964 photo of Jack Ruby shooting Lee Harvey Oswald is an indelible image from the exhibit. Another is a family's joy in greeting a father returning from a prisoner of war camp in 1974.

Two of the Pulitzer Prize-winning photographs were taken in Oklahoma. The 1952 winner depicts racial tension played out on the football field at an Oklahoma A&M game in 1951, and the other is the well-know image by Charles Porter of a fireman holding Baylee Almon after the Alfred P. Murrah Federal Building bombing in 1995.

On December 15, the IPHF will host a guest lecture starting at 5 p.m. with an opening reception and book signing to follow. Cyma Rubin, exhibit curator and Slava Veder, the 1974 winner of "Burst of Joy" will lecture in the Eleanor Maurer Auditorium (inside the Omniplex) and will sign copies of the "Capture the Moment: the Pulitzer Prize Photographs" catalog. (Admission for the event is \$20 at the door or \$15 for nonmembers and \$10 for members and students with advance purchase. The catalog is available for purchase on Dec. 15 for \$29.95 for nonmembers and \$25 for members.) Special guests also include Jordan Keesler, who as a Marine serving in Iraq, was the subject of the 2005 Pulitzer Prize-winning images taken by Anya Niedringhaus. Keesler now resides in Claremore, OK. Please see Doug Finch for additional information or see the IPHF website at [www.IPHF.org](http://www.IPHF.org).

## Workshop Schedule

### Photography 101 Workshop

The Photography 101 Workshop will not meet in November or December, taking off for the holidays. For information, please call **Ed Lamb at 721-4714.**

### Photoshop Workshop -

The Photoshop Workshop will not meet in December, taking off for the Christmas Holidays. For information, please call **Carol or Tom McCreary at 634-1817.**

## Programs for December

**December 11-** "ProShow Gold Basics - My experience creating our vacation photo-essay." Using ProShow Gold to assemble images from our trip/cruise to Alaska, I'll attempt to show those of you unfamiliar with the program enough to create your own video from pictures of your favorite vacation. Afterwards, I'll show the finished product, or at least some of it, or maybe all of it. **Brad Smith**
