

On the Road with Tamron:

Join Photographer and Tamron Field Services Manager Ken Hubbard as he showcases images from around the country. Learn why using the right lens can help you get the best shot. Understand what makes great optics and how you can use the latest and greatest to get the image you want. Whether you want to take better pictures of travel, nature or people this lecture is for you. And chances are you might even pick up a tip or two. This informative and entertaining event is one night only.

Ken Hubbard

KEN HUBBARD is the Field Services Manager for Tamron. He is responsible for the company's events, including Tamron's popular consumer workshop series. Ken has had nationwide gallery showings of his portrait and landscape photography and teaches enthusiasts how to take better photos at numerous events. Ken's extensive background in the field of photography is unique and diverse. He has traveled extensively throughout the United States and the result is a consistent output of breathtaking photographs that continually challenge the boundaries of the genre.
